

PRODUCT INFO

DIRECTIONS

Please do not use commercial toothpaste while using Exodus Herbal Gum Powder
If you desire to floss do so prior to brushing. Using a NEW toothbrush with SOFT bristles, dampen your toothbrush in water and IMMERSE the bristle in the powder for 10 seconds. Brush your teeth, jaws, gums, roof of your mouth and end with brushing your tongue. Brush for 2 minutes then rinse.

PRODUCT CARE

If powder gets wet, leave jar open to dry
If you would like to repeat the process rinse your mouth and rinse brush thoroughly under hot water, then repeat.

NO DOUBLE DIPPING

Replace toothbrush every month

RECOMMENDED USE

We recommend the following regiment for the most beneficial use of our product and best results. Use Regular flavor Exodus Herbal Gum Powder and eliminate the use of commercial toothpaste for your oral care.
